## Changes to the Qantas Premier Credit Card Terms and Conditions and Other Important Information – effective from 5 November 2024

 The following section is inserted as a new section after 13. Things We Aren't Responsible For, dealing with Mistaken Internet Payments using the Pay Anyone functionality available with Online Access facility:

#### Contents

#### **New Words**

13A. Mistaken Internet Payments

#### PART A: CREDIT CARD TERMS AND CONDITIONS

#### **New Words**

#### 13A. Mistaken Internet Payments

This section applies to Mistaken Internet Payments using the Pay Anyone functionality. It sets out important rules where the Sending ADI and the Receiving ADI have subscribed to the ePayments Code and:

- a Cardholder reports a Mistaken Internet Payment to Us as the Sending ADI; or
- We, as the Receiving ADI, are notified by a Sending ADI that funds have been credited to Your Account as the result of a Mistaken Internet Payment by its customer.

This section does not apply to BPAY payments.

#### In this section:

- Mistaken Internet Payment means a payment made by a Cardholder through Pay Anyone where funds are paid into the account of an unintended recipient because the Cardholder entered or selected the wrong BSB number and/or account number or the wrong PayID (where available) or a PayID which belonged to the wrong person as the result of the Cardholder's error or the Cardholder being advised of the wrong details. Currently, Pay Anyone functionality is generally only available in Online Access as part of a cash instalment plan or Balance Transfer offer that We may make available to You;
- **ADI** means Authorised Deposit-taking institution and has the same meaning as the term in the Banking Act 1959 (Cth);
- the Receiving ADI is the ADI whose customer received an internet payment;
- the **Sending ADI** is the ADI whose customer has made an internet payment.

#### Cardholder's obligation

A Cardholder:

- a) must take care to enter or select the correct information about the intended recipient of the funds, required when using Pay Anyone to make a payment. It is not always possible for Us to recover funds from the unintended recipient;
- b) should report a Mistaken Internet Payment to Us as soon as possible by contacting Us

We will acknowledge receipt of the report and the Cardholder should record or retain this acknowledgement.

## Our obligations as a Sending ADI when We receive the Cardholder's report

a) Obligation to investigate

We will investigate a Cardholder's report of a Mistaken Internet Payment.

- b) Obligation to tell the Cardholder about the outcome
   We will tell the Cardholder about the outcome of a Cardholder's report of a Mistaken Internet Payment:
  - i) in writing, and
  - ii) within 30 Business Days of the day the report was made.

When a Cardholder makes a report, We as the Sending ADI and the Receiving ADI need to be satisfied that a Mistaken Internet Payment has occurred.

If We are not satisfied a Mistaken Internet Payment has occurred, We are not required to take any further action. We will tell You in writing within 30 Business Days from the time the Cardholder reported the Mistaken Internet Payment.

If We are satisfied that a Mistaken Internet Payment has occurred, We will send the Receiving ADI a request for return of the funds as soon as reasonably possible and by no later than 5 Business Days from the time the Cardholder reported the Mistaken Internet Payment to Us. We are reliant on the Receiving ADI following its obligation to acknowledge Our request and advise Us within 5 Business Days if there are sufficient funds in their customer's account to cover the amount of the Mistaken Internet Payment.

If the Receiving ADI receives a request from Us to return funds to Us, but is not satisfied that a Mistaken Internet Payment has occurred, the Receiving ADI may seek their customer's consent to return the funds to You. If consent is provided to the Receiving ADI, We will return these funds to You as soon as practicable.

#### Process where both the Sending ADI and the Receiving ADI are satisfied a Mistaken Internet Payment has occurred and there are insufficient funds

This process applies where the Sending ADI and the Receiving ADI are satisfied a Mistaken Internet Payment has occurred.

If We are advised there are insufficient funds in the customer's account, We are reliant on the Receiving ADI using its discretion (which is guided by a number of factors in the ePayments Code) in deciding whether to pursue all or part of the funds from their customer. If the Receiving ADI decides to pursue the return of all the funds, it has an obligation to use reasonable endeavours to retrieve the funds from their customer (e.g. facility payment by instalments).

If the Receiving ADI is unable to recover the funds from the unintended recipient, You will be liable for losses arising from the Mistaken Internet Payment.

#### Where the Sending ADI and the Receiving ADI are satisfied a Mistaken Internet Payment has occurred and there are sufficient funds

This table describes Our obligations as a Sending ADI and the obligations of the Receiving ADI if satisfied that a Mistaken Internet Payment has occurred and there are sufficient credit funds available in the account of the unintended recipient to cover the payment.

A different process applies depending on when the Cardholder reported the Mistaken Internet Payment to Us.

User reports the Mistaken Internet Payment to Us	Obligation of Receiving ADI after receiving Our request to return funds	Our obligation to pay You
Within 10 Business Days of making the payment	Funds must be returned to Us within 5 Business Days (if practicable) of receiving Our request to return the funds or such longer period as is necessary up to a maximum of 10 Business Days.	To return the funds to You as soon as practicable.
Between 10 Business Days and 7 months of making the payment	Complete investigation within 10 Business Days of receiving Our request to return the funds.	To return the funds to You as soon as practicable.
	If satisfied a Mistaken Internet Payment has occurred:	
	<ul> <li>i) prevent their customer withdrawing the Mistaken Internet Payment funds for a further 10 Business Days;</li> </ul>

#### Complaints

For information about making a complaint about the outcome of a Mistaken Internet Payment report or how We have dealt with it, please see Part C.

#### Our obligations if We are notified about a Mistaken Internet Payment by another ADI

If We are notified by a Sending ADI that funds have been credited to Your Account as the result of a Mistaken Internet Payment by its customer, We will act in accordance with the obligations of the Receiving ADI described in the ePayments Code and this section 13A including the obligations to return funds in Your Account to the Sending ADI where applicable.
